ONLINE EXAMINATION INSTRUCTIONS

1. Total duration of examination is as mentioned in the E-Admit card.

2. The clock will be set at the server. The countdown timer in the top right corner of screen will display the remaining time available for you to complete the examination. When the timer reaches zero, the examination will end by itself. You will not be required to end or submit your examination.

3. The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:

   1. You have not visited the question yet
   2. You have not answered the question.
   3. You have answered the question.
   4. You have NOT answered the question, but have marked the question for review
   5. The question(s) "Marked for Review" will be not be considered for evaluation. Hence, no marks will be allocated for the same.

The Marked for Review status for a question simply indicates that you would like to look at that question again. If a question is answered and Marked for Review, your answer for that question will not be considered in the evaluation since there is negative marking for each wrong answer.
